

# Greeting Services of Sycamore

## Welcoming Newcomers to Sycamore

Dear Sycamore Chamber Member,

Would you like for someone to visit new residents of Sycamore in their homes as your own personal sales representative? If so, then the Greeting Services of Sycamore will interest you. We make personal, at home, visits to new residents of Sycamore. We sit down one on one and talk with them, promoting your business and our community. In this increasingly impersonal world, new residents look forward to, and enjoy, an old-fashioned "Hometown Hello."

The Greeting Services of Sycamore extends your "Welcome" to your new Sycamore neighbors and inform them on their new hometown by providing information on where to shop, dine, bank, entertainment and any other business or service they may need in the future. Our service tells new residents WHO you are, WHAT you have and WHERE you are.

When we visit new residents we sit down with them at a scheduled time at their convenience and provide them with following:

### **Civic Information**

Greeting Services of Sycamore will provide an area map, local phone book, newspaper, library information, recreational information, Church Directory, Park District information, Sycamore Chamber of Commerce Business Directory and community event information. This information delivered and promoted by an enthusiastic greeter is the basis for our visit.

### **Your Marketing Piece and Promotional Message**

The greeter will also provide them with your marketing material: brochure, pen, flyer, coupon, coffee mug, etc. that will be retained by the resident for future reference. Your business will be introduced using a script provided by you, which emphasizes your specialty and invites them to use your products and/or service.

What do we give you in return?

### **A list of new residents serviced by Greeting Services of Sycamore**

A monthly list containing accurate contact information on all new residents that have met with a greeter. This list will be useful for sending out flyer, promoting upcoming sales or new products or services available, as well as to invite your neighbors to a special event. This will assist you in establishing a solid customer basis.

### **Listed on website**

The Greeting Services of Sycamore will promote you through our website, [www.greetingservices.com](http://www.greetingservices.com), with a listing of your business and also a link to your website.

This unique service is ONLY available to Sycamore Chamber of Commerce members. We will use our genuine and personable experience to provide new residents with a personal visit representing your business. The cost of the Greeting Services of Sycamore is a one-time set-up fee of \$75 and then \$3.00 per visit. Visits will be billed on a monthly basis and the number of visits a month may vary.

**Ask us about our discounts for Discover Sycamore members!**
